CENTRAL R. R. OF NEW JERSEY BALTIMORE & OHIO RAILROAD.

# Royal Blue Line

Between

New York, Philadelphia,
Baltimore and Washington.

SAFEST! FINEST! FASTEST!

The Pioneer Two-Hour Route Philadelphia and New York.

MINENT authorities have pronounced this line the most perfect piece of railway construction in the United States. It is straight, level, and built in the most substantial manner, with steel rails of the heaviest make, oaken ties, and clean stone ballast, combining solidity, strength and smoothness. Interlocking switches and signals, and every approved safeguard that human ingenuity has devised for the protection of travelers, are employed. The locomotive engines on this line are conceded to be the swiftest and most powerful ever produced in this country; the fuel used is hard anthractic coal, which burns without emitting either smoke or cinders. The Royal Blue Line trains are vestibuled from end to end, and equipped with Pullman's anti-telescoping steel frames, making each train a single continuous structure. The coaches are of special and unique designs, built expressly for this service, and the Pullman drawing-room cars, buffet parlor cars, dining cars and sleeping cars are of the highest types of beauty, elegance and luxurious comfort. The train employees are picked and experienced men, especially selected for their courteousness and efficiency, and the service is such in every respect as to fully warrant the claim that this is

THE FINEST RAILWAY LINE IN AMERICA.

Philadelphia Stations: 24th and Chestnut Sts. 31st St. and Girard Avenue. Market and 12th Streets. Ninth St. and Columbia Avenue.

Through tickets and baggage checks by this route are obtainable at the principal depots and ticket offices throughout the United States, Canada and Mexico.

# Reading Railroad System

The Model Railway of the World.

SAFETY assured by perfect roadbed, stone and iron bridges, double track of heaviest steel rails, interlocking switches and automatic signals.

SPEED unequalled; the fastest recorded "runs" in railroad annals have been made upon this road, and the fastest regularly scheduled trains in the world run upon its tracks.

CLEANLINESS a distinctive feature; store ballast secures the absence of dust, and, as the locomotives are fueled exclesively with clear hard anthracite coal, there is no annoyance from smo..., soot or cinders.

COMFORT and elegance of train equipment unsurpassed; the most palatial Pullman palace drawing-room, buffet, dining and sleeping cars; and the very finest day coaches in service. Trains always clean, well ventilated, heated and lighted.

#### BENEVOLENT ASSOCIATION OF POTTSVILLE.

Organized September 12th, 1867. Objects. To mitigate and remove actual distress, to prevent pauperism and its concomitant evils, and to provide employment and instruction for the indigent and needy.

Plan. The borough is divided into ten districts, each district being in charge of a supervisor, who is assisted by one

male and two female visitors.

Policy. Relief is granted without regard to creed, color or

nationality.

Finances. It is conducted strictly on the voluntary contribution plan, not a dollar having ever been solicited by begging committees, and during the past years it has been abund-

antly and generously supported.

Officers. George W. Kennedy, President; Rev. B. F. Patterson, Hiram Parker, jr., Vice Presidents; Abraham Kuhn, Secretary; General J. K. Sigfried, Corresponding Secretary; A. W. Sheafer, Treasurer; Charles F. Derr, Marx Rubinsky, W. F. Scheerer, Rev. J. H. Umbenhen, H. J. Herbein, Managers. These gentlemen constitute the Executive Board, and all of them, except the president, are supervisors of districts.

The Benevolent Association's Home for Children. This is a branch of the Benevolent Association, and was opened May 24th, 1873.

### W. H. MORTIMER, DIAMONDS & N. Centre State Politsville.

60 Pottsville Churches.

Object. To afford a home, food, schooling and clothing for destitute, neglected children, and, at a suitable age, to place them with respectable persons and families, to learn some useful trade or occupation, and thus aid the Benevolent Association in its work, as one of its greatest difficulties was that many children needed help whose parents were poor and unworthy, and that some children, without parents and friends, were growing up neglected, wicked, ignorant and deprayed.

Policy and Finances. Managed on the same plan as the

Benevolent Association.

Officers. General J. K. Sigfried, President; Professor S. A. Thurlow, Corresponding Secretary; William C. Wilson,

Recording Secretary; A. W. Sheafer, Treasurer.

Schuylkill Lodge, at Orwigsburg, is the oldest Lodge in

Schuylkill County, having been chartered in 1813.

The next oldest, Pulaski, at Pottsville, was chartered in 1831. It has the largest membership—about 200. Its place of meeting or hall is in the third story of the Pennsylvania Bank Building, on Centre street, above Mahantongo. The accommodations are ample and inviting. Over \$6,000 were expended in frescoing and furnishing alone, in 1873, when the Lodge took possession under a fifty years' lease. The present officers are: C.
